

Join us for a unique network evening meal and golf clinic with fellow Woking Chamber members

The golf course is a great way to build business relationships and for team building events. So get into the game with the Hoebridge PGA professionals for a fun golfing clinic where they will show beginners the basics such as grip, stance, ball placement, swing and hitting the ball straight.

there will be a professional assigned to teach the rather more technical aspects of the game.

The evening will consist of soft drinks on arrival, followed by a 45-minute golf clinic held on the newly refurbished undercover range, a 2 course meal with wine and coffee included and a welcome pack for all participants.
